2000	15,892	1,464	14,428	7,181	45.2

<sup>1</sup>Births listed from 1950 through 1977 were classified by the state as illegitimate; this process ended in 1977. Beginning in 1978 the number of births where there was only one parent's name on the birth certificate has been reported.

<sup>2</sup>Single Named Parents status is determined from the birth record. In Michigan no reference is made to the marital status of the mother, therefore no reference should be drawn. These births are not necessarily to women who will raise the child alone.
